

The craftspace is, like many areas of the hackspace, a growing area of exploration. This area is looked after and maintained by [Team Craft](#) otherwise known as the Crafty Crew - we also run the inductions for the sewing machines, and overlocker.

[300px](#)

This area is a clean area for crafting, such as:

- Sewing
- Embroidery
- Knitting and Crochet
- Felting
- Papercraft including cardmaking and scrapbooking
- Painting
- Drawing
- Small carving projects
- Stained glass work
- Model making and painting

This isn't an exclusive list, but more of a guide.
