

# The Keys!

There are 5 keys in a full set for #44:

- Shutter Key
- 2x Front Door Mortice Keys
- 1x Front Door Cylinder key
- 1x Space door key

## Buying Keys

The sets currently cost £23/set, but we need to get keys made in sets of 2 to get this pricing.

- The Shutter and Mortice Keys are bought from the locksmith in the arndale market for £33 / 2 sets (buy 1 set for £22, get 1 set half price)
- The Front Door Key is bought from Central Locksmiths for £6.50 a key
  - Will double check to see how much a full set would cost from Central Locksmiths - they are generally better.

Any member can become a keyholder. Keys must be returned to a board member if the keyholder stops being a member.
