

We have a mailing list (Discourse) at <https://hacman.org.uk/list>. This can be used with the web interface, like a forum, or like a mailing list from your usual mail client.

See this post for instructions to set up mailing-list mode:

<http://list.hacman.org.uk/t/google-groups-preferences-should-now-be-imported/2059>

Category:About
