

Meeting Planning

To Discuss/Work On

- Look at Rolling Olly and determine how to do pan/tilt on the head, and control from arduino.
- Build 3x drawdio kits, try and work out how to hook them up to an amp and change the pitch.

Main Meeting

Attendees

- Alex
- Bob
- Tom
- Ben

+ 3 others

Discussions & Projects

LED Matrix, finishing off rfid system, power supply adaptor, fixing laser regulator

Comments and other notes
