The Board publish as much detail as they feel appropriate about members who have been given a formal warning. The Board have decided to publish details on all members who have been banned, unless there are extenuating circumstances (Informal warnings or verbal warnings are not listed unless they are esculated to the point where a formal warning is deemed required).

Details on these members are below.

Warnings

Name	Warning	Reason
Chris H	2018/07/22	Repeated CoC violations within the space
