

Bought! See [[Horizontal_Bandsaw|Horizontal_Bandsaw]] For details

Metal Cutting Bandsaw! Used for cutting metal tubing / rod / pipe / extrusion to length

One is available for £80 in ashton (ebay auction) - needs a new motor. The motor that comes with this bandsaw is a 1/2HP 1400RPM one, which is the same RPM and HP range as a pillar drill, so motors are easily available.
