

Just found an ad for a shedfull of power and hand tools near me. The sale price is £350, but it includes a lot of things we've discussed buying:

HI I HAVE A SHED FULL OF TOOLS EVERYTHING MUST GO IN ONE JOB LOT I CAN NOT LIST ALL BUT HERE ARE SOME SOCKET SETS SCREW DRIVERS HAMERS BOXS OF SCREW SPANNERS POWER DRILLS CORDLESS DRILLS JIGSAW COMPOUND MITE SAE TABLE SAW POWER ROUTER GRINDER AIR COMPRESSORS AND LOTS MORE I DONT KNOW WHOT THEY ALL ARE BE LONG TO MY LATE HUSBAND AND HE LOVED HIS TOYS

I'm willing to chuck in a hundred quid towards getting the tools for hacman (fully fitting out the workshop would be great!), can anyone else pledge towards it?
