Donation boxes for use at madlab

Project Aim

- *To build 4 or 5 basic donation boxes, with a similar design to put around madlab to increase level of donations.*

Project Members

- [parag0n](#)

Prototypes

- V0.1: Made from MDF using CNC mill at fablab, corners not dogboned so needed trimming out with file, one notch not deep enough, sliding section for lid not bulky enough, snapped off.
